

OUR CHURCH PLAN

Smarden and Biddenden Benefice

Our Church

Our Church first and foremost seeks to be a community of Christian Action.

Our Challenges.

Chaos. Busy lives, full of distraction, mean we all struggle to make time and space for reflection and nurture. When do we find time for worship – we need to make it as powerful and personal as possible.

Isolation. Rural living means that transport and communication can be hard to organise; it can be tough for some people to make friends and find support.

Scarcity. As a benefice, we must support each other by sharing resources across two villages – especially our time and expertise - while respecting individual village identities. We have limited resources and limited money.

Our Continuing Vision

We will grow a Church that is **open** to all.

We will develop and display **confidence** as Christians.

We will seek to **serve** the community

Our Mission

To provide a warm **welcome (W)**

To support each other in our **spiritual** growth **(S)**

To be visible, capable and available as Christian helpers in our **community (C)**

To encourage the spiritual development of **young people. (Y)**
