Notes for completing a Baptism Application

This form is designed for children. There is a separate Adult Baptism application form for those over 16.

We encourage baptisms to take place during or shortly after a main Sunday morning service. If this is not convenient, or if you are inviting a large number of guests, we can also offer baptisms on Saturday afternoon.

We normally need at least one month's notice before a Baptism takes place.

Once this form is completed, please return it to us, either as a scanned PDF, (Sorry we can't work with a photo) or by posting, to Benefice office, 36 High Street, Biddenden, TN27 8AH. Baptisms are not "Booked" until you have heard back from us. Once we receive your form, we will arrange a time to meet and go through the Baptism service.

Godparents

Church law states that godparents must themselves be baptised. If this is not the case, they can be a sponsor and make the same promises alongside the godparents. We can arrange a baptism of parents or godparents in the same service.

There should be at least three baptised godparents for each child. If the parents are baptised, they can 'count' as godparents for this purpose. Please see <https://www.churchofengland.org/life-events/christenings/parents-guide-christenings/choosing-godparents> for more information about choosing godparents for your child.

If you would like to know more about this, please discuss this with Revd Tess Lowe (priest-in-charge).

Is there a maximum or minimum age for baptism?

Children and adults can be baptised at any age. If a child is old enough to understand, we include them in the discussion about the Baptism service, to help them understand the service.

Baptism for children who live outside the parish.

Baptism requires parents to make a serious commitment about the way they bring children up within the church family. The Church of England therefore assumed the best place for baptism is local to where you live. If you live outside one of our parishes, we can arrange baptism here, but will ask you to make contact with your local church before arranging a baptism with us.

Music

If the Baptism takes place in a main morning service, we can include hymn requests. When a baptism takes place as a separate service, music is not normally provided, but can be arranged. Please ask us. An organist is normally payable.

Fees for Baptism service

There are no fees for a baptism service. However, we do take a collection, and are grateful for your support.

Revd Tess Lowe, priest-in-charge of Biddenden and Smarden.
